

Silver Lake Villas

HOMEOWNERS ASSOCIATION

Disclaimer

This is not the official set of By-Laws and Rules and Regulations of the Silver Lake Villas Condominium Association. The official governing documents, as recorded with the Secretary of State, are available from the HOA Secretary upon request. This version, to the best of our knowledge, has *no substantial changes* but may have an occasional word change or typographical error (but we hope not!). These By-Laws and Rules and Regulations have been re-formatted so as to be posted on our website as a searchable document, with a Table of Contents, for the convenience of our resident owners. Please note that copies of the signature pages from the original documents have been appended to the end of each applicable section, but may not, therefore, be searchable.
