Silver Lake Garden and Flower Addendum May 19, 2025

Director Tracy Stasukewicz

Spring agenda Landscape Improvements

Phase # 3:

Starting this spring in about two weeks for improvements and first trim of the bushes.

+ 8964 Silverdale 1-C: Vines by A/C unit to be removed and mulch added.

Many small bushes died in phase #3 to be removed.

+ 8918-8914-8912-8908-8906-8902: in the back of these units by all patios, stones will be added leading up to the doors on both sides.

+ 8918 Silverdale. Mud to be removed due to the construction from Perma Seal, and tree roots to be removed.

+ 8966 Silverdale, Tree roots to be removed.

+ 8932 Silverdale, Back edging holding the rocks to be removed stone to be added.

Dublin Street: Needs some clean up from the pine trees and tree trimming.

Mayo Dr: Dead bushes to be removed, stone to be added and a sink hole filled.

**Note:** All driveways that have grass separating the two driveways. Please pay attention to this area and make sure your tires are on your driveway and not on the lawn. Boulders will be placed to prevent the lawn from being damaged.
